Our School Values

Kindness **Respect** **Courage**

Dear Parents and Carers,

I hope that you all feel that the first few weeks of school have gone smoothly for your children. There is some great learning happening—Butterfly class are forging new friendships and Ladybird class continue to strengthen their relationships whilst really enjoying the learning opportunities on offer.

Playground safety

We have many more children in the playground than we did last year and so, in order to keep everyone safe, please can you ensure that your child stands with you in the morning and doesn't run around in the playground—the area is not big enough and we want to ensure that everyone stays happy and safe.

We would also like to request that parents let their child walk up the ramp into school by themselves, carrying all of their bags so that they can develop their independence skills. If you are late, we will be ready to receive your child at the door. The gate is locked at 9:05am and so if you arrive after this point, you will need to sign your child in at the office with Mrs Batchelor at Chandag junior school.

Futura Learning Partnership

Two Rivers are proud to be a Futura Learning partnership school and have been working together with both classes at the school to support with the promotion of the new name. Your child may have come home this week singing a song, talking about a time capsule or bubbling with the excitement about painting a t-shirt.

In celebration of the new name, Futura Learning Partnership, we plan to have an in-school ceremony to launch the new name where children will sing a song about living and learning as we look to the future. They will also be tie-dying t-shirts as we re-create the colourful globe from the logo which we hope will form part of a poster. The children are very excited by this. We will be adding items to a time capsule which will be buried and dug up after 20 years. We have decided to keep the time capsule in our temporary building until we move to the permanent building where we will bury it in a ceremony at and also plant a tree. Exciting times!

Governor Profile

Hi, my name is Kevin and I am the minister of Keynsham Baptist Church, where I've enjoyed getting to know many young families through our Toddler Group and (before covid) Baby Bounce & Rhyme sessions at the library. I'm really pleased to be involved in Two Rivers and hope to contribute towards the spiritual wellbeing and environmental passions of the school community.

YOUNGMiNDS fighting for young people's mental health

On Friday 8th October we would like to invite children to wear yellow clothes to school instead of their usual school uniform. Dig out your neon socks, custard scarf and banana hat – let's show young people they're not alone with their mental health! We will be doing work in school with the children to promote positive mental help and support them in helping to manage their mental health and we ask for a donation of £1 which we will donate to the Young Minds charity.

Open Evening

Date: Tuesday 12th October 2021

Time: 5:30pm—6:30pm

Venue: Chandag Infant School hall

We are holding an Open Evening on Tuesday 12th October for all parents at the school and those hoping to join in September. The open evening will be a chance to hear about the new school building and also a chance to find out about Two Rivers school from the people who work there. The event will be held at Chandag Infant school in their hall as we do not have the capacity in our temporary building.

Please pass on the word to friends who you know are looking for school places. We also have space in our current Reception and Y1 class for children looking at joining in -year.

Two Rivers Church of England Primary School

We are so excited to be able to share these images of the new school.
