

Governor Profiles

Parent Governors

Ross Wolverson (Chair of Governors) My name is Ross Wolverson and I am delighted to serve the wonderful community of Two Rivers Primary School as an elected Parent Governor and Chairperson of the school's AGC (Academy Governance Committee). Our school provides a caring and safe environment allowing our children to find their own voice and place in the world whilst also instilling in them a sense of community and belonging. Currently I am a senior teacher and Head of English at a Christian boarding school in nearby Bath. I am also an Associate Lecturer at the School of Education at a local university as well as being an

Examiner for OCR and AQA. I am a passionate advocate of a holistic approach to education and the importance of every member of our community embracing the vision and values that we have agreed upon as a school.

I live in Keynsham with my wife and two sons, the eldest of which attends the school (with the youngest soon to follow!).

Please do get in touch with me via the school if I may be of any assistance.

Rachel Parr (Parent Governor, Parental Lead) I have one child currently at Two Rivers Church of England Primary School. I have been a primary school teacher for 10 years and teach at a local primary school. I have spent my career teaching Reception, Year 1 and Year 2.

Foundation Governors

Richard Triggs (Foundation Governor, Safeguarding) I was appointed as a Foundation Governor in February 2021. I have taught in Primary education for 36 years overall, in a variety of roles, the latest as Headteacher of St Louis Catholic School in Frome for 20 years.

Now retired I wish to remain involved in and supporting children's education. I attend Christ the King Catholic Church in Filwood, Bristol.

Claire Formby (Foundation Governor, SEND, PP and LAC) I have recently become a Foundation Governor at Two Rivers CofE Primary School and I am excited about this new role. My husband and I have brought up our three children in Keynsham and I was a Primary teacher until I retired a few years ago. Now I enjoy walking, cycling, holidays and family time with my grandchildren and I worship at St John's Church in the town.

I am the SEN and Pupil Premium Governor so will provide the link between the governing body and the staff in this regard. I am also part of the Collective Worship team and look forward to supporting and serving the school community.

Kevin Durrant (Foundation Governor, Faith and Ethos) I am the minister of Keynsham Baptist Church and a keen supporter of Churches Together in Keynsham and Saltford. As well as serving on the governing body, I am also part of the group who lead times of collective worship with the children. I began my working life as a geography teacher in a secondary school, followed by nine years in the civil service. I then trained for the Baptist ministry and have worked with congregations in Romford and Gloucester before arriving in Keynsham in 2016.

I am married with two grown-up children and two grandchildren. I have spent many years encouraging Christians to become more involved in caring for the natural world and took part in an ecumenical walk to Paris in support of the climate conference.

I play the guitar at church and toddler group, and the violin in an orchestra which thankfully didn't require an audition!

Co-opted Community Governor

Paula Malone (Vice Chair, Sustainability) I am a Bath resident and Forest School and primary school teacher and am a Community Governor for the school. My work focuses on tackling climate change in schools. I currently work for Energy Sparks, a charity which helps schools fight climate change through reducing their energy consumption and I am a trustee for Wicked Weather Watch, a climate change education charity. I am also involved in setting up the Avon Schools Eco Network (for secondary students) and was also a founder of the Schools Climate Network, and Transition

Bath.

I am mum to a 6-year-old. I run, do ceramics, whittle and love fairy tales.

Staff Governor

Lorraine Trembeth (Staff Governor) I have been in teaching for over 30 years both in primary education and further education. I have taught mainly in early years but I also have experience across the primary age range. I have also recently been a SENDCO in a primary school. For many years I have been a deputy safeguarding lead so have a good knowledge in this area.

I have previously been a parent governor in my son's primary school and I am also a governor of the Virtual school in South Gloucestershire.

As part of the AGC I want to strive to ensure that every child who attends Two Rivers achieves their full potential and feels happy, safe and secure.
