Dear Parents and Carers,

As I write the last Newsletter of the term, I reflect on the year that we have shared together and it makes me really proud of what we have achieved in school. We have a supportive parental body, a committed Governing body and a staff team who strive every day to make a difference to your children. I can confidently say that the children at Two Rivers are happy and enjoy coming to school. Recently we have been talking about their responsibility next year for leading the way for the new children coming into Butterfly class and being excellent role models—I am confident that the children will rise to this and Two Rivers will continue to be the best school in the World for all that share it!

Thank you for your endless support through difficult times—we are on the up now so fingers crossed for a bit more of a normal return to school in September.

Unfortunately, we do have to say Goodbye to an amazing member of Two Rivers, Otilie who relocates with her Mum, Dad and sister, to Canada during the Summer—we wish you all the best and know that Otilie will continue to be an energetic superstar in her new school! We also say goodbye to Miss Morris who is pursuing her teaching career in one of our Trust's other schools so we know that we will still see her! All the best to Miss Morris!

Have a lovely holiday everyone, enjoy family time and see you all fresh as daisies in September!

Please refer to the website for the most up to date term dates for next academic year.

Take Care,

Mrs Carver

## Sports Day—Monday 19th July

As you know, we will be holding our sports day on Monday 19th July on Chandag Infant school's field so please send your child to school wearing shorts, t shirt and trainers. They will need a sun hat and named water bottle also.

If your child is interested in attending some sports clubs over the summer holiday, please read the additional information attached about holiday clubs.

## Governor profile— Richard Triggs

Hello. My name is Richard Triggs and I am a Foundation Governor appointed by the Diocese. I also am the 'Safeguarding Governor' for the school. I live close to the school and have lived in Keynsham for thirty years with my wife and three daughters.

I am very excited to be involved at the very beginning of our brand new school's journey.

## Homework in the summer

We know that children need to keep up with their learning in the holidays. As mentioned in my previous letter, please continue to read with your child and encourage them to keep writing by keeping a diary of the school holiday. They can bring their diaries into school on Monday 6th September to share with their new teacher and teaching assistant.

## Keynsham Eco competition

There has been a change in approach for submitting work for the festival in Keynsham. Entries will now be submitted by individual families rather than the school. Your child will be able to bring home their art work if they created it in school and/or their photograph.

See additional letter for further info.

## Star Learners from last week and this week:

Star Writer  
Serena

Star of the week  
Poppy

Maths Star  
Amelia

Star Writer  
Finley

Star of the week  
Otilie
