## Two Rivers CofE Primary School

Friday 8th April 2022

0117 916 1027

### Our School Values

#### Kindness

Dear Parents and Carers,

It has been another great term for the children of Two Rivers who enjoyed a great trip to the church to learn about the story of Easter. Thank you to all of the parents, staff and Governors who supported with the visit. It is great to have such a supportive community and the clergy team at the term, once again, supported Two Rivers learning.

#### Staffing news

I wanted to share some staffing news with you as there has been lots going on behind the scenes this term and we have appointed new teachers for our growing team.

Mrs Trembeth will be leaving us at the end of the Summer term to journey on new adventures. Mrs Trembeth has been with Two Rivers since we opened in September 2020 and we are thankful for her work and the great relationships she has fostered at Two Rivers.

'My name is Miss Carter. I will be the Two Rivers class teacher for Reception in September and I can't wait to meet you all! In my spare time I love to play netball with my friends and read some of my favourite books. I also love to go for long walks on the beach with my dog named Flo. I am so excited to become a part of Two Rivers. Next year will be filled with lots of exciting adventures, learning and fun.'

'Hi! My name is Miss Knight and I will be starting Two Rivers C of E Primary School as the Year One teacher in September 2022. I love dance and believe classrooms are a place for children to express themselves, as well as to learn. I am so excited to meet everybody during our transition event at Two Rivers in Term 6.'

#### Sports Club provision

The children have thoroughly enjoyed their sports provision both in school and at the after school club which this term has been running at Chandag Infant School. We hope that next term the club will be in our playground. Club timings remain the same and finish at 4:20pm every Tuesday—please see the additional letter regarding PE kit.

#### Online safety

This week we welcomed Androulla Nicolaou from Avon and Somerset police to come into school to talk about keeping safe online. This was not the result of any concerns we had in school, but a great opportunity for children to engage with keeping safe online. Here are some links which Androulla sent to me and I wanted to share them with you. They are for parents, not children to read.

### Mrs Easdown

'I am very excited to continue working at Two Rivers as Assistant Head teacher. I will also be teaching in Year Two along with Miss Pilkington. I am looking forward to the move to the new building and I am sure we can continue to thrive in the best school in the world!'

### Miss Pilkington

I am really excited to join Two Rivers in September as Assistant Head teacher of such a fantastic school and look forward to getting to know the children and school community over the coming weeks! I will also be teaching Year Two, along with Mrs Easdown. My passion is ensuring that all children receive a high-quality education alongside developing as a whole-child, and I am looking forward to ensuring the vision and values continue to flow throughout the rich learning opportunities and new experiences the school provides. Outside of school, I enjoy running and play the violin for a local orchestra. Next year, it would be great to start our own Two Rivers music club!

### Easter Bonnets

Thank you to the PTA for organising an Easter Bonnet competition for the children. They were so proud of their creations and those children unable to make one at home, were given the opportunity to make one in school so that no child felt left of the parade. The bonnets were judged by Claire Formby, one of our school governors and active member of St John's Church.
