Our School Values

Kindness

Dear Parents and Carers,

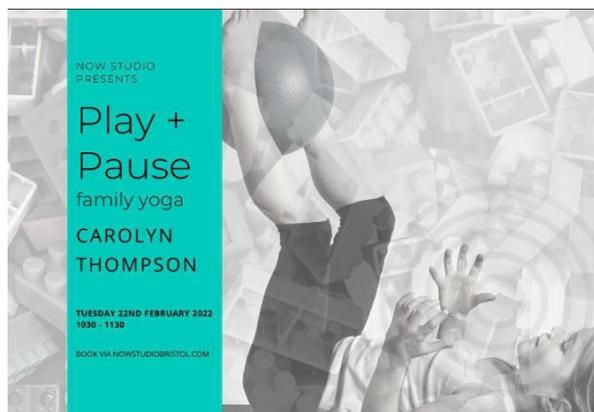

It is hard to believe that this is my last newsletter for this term and it will soon be term 4. We have not managed a walk to the new school site this term but hope now to do this in term 4. The children and staff are really looking forward to visiting and moving to the new site where there will be so much space.

The staff team have contributed ideas towards a final vision statement for Two Rivers. This will be shared at the next Governors meeting in March where the governing body will support me in finalising it. Once this is done, I will be ready to share with you.

I wish you all a happy half term. As always, your children are a credit to the school and take such pride in their learning. We are always so proud of them all and reflect often on how well we know every single child in our currently, small school.

Half term yoga

Please find information below about a family yoga opportunity.

Governor Vacancy

We have an exciting opportunity for a parent to join Two Rivers School's Academy Governance Committee. Please complete an expression of interest via the link sent out today on parent mail if you are interested.

Mental Health week

This week children have been learning about how to keep a healthy mind as well as a healthy body.

Snack and Drinks

Please be reminded that children's drinks bottles must be named and that we ask you provide a fruit snack for your child to have each morning. School fruit is provided each afternoon as part of a free government scheme.

Playground

Thank you for ensuring that your child stands by you in the morning whilst waiting to come into school each morning. This is to keep all children safe. Sometimes there may be play equipment in the playground as we have to put this out each morning. Please refrain from letting your child use the equipment at this time. They get opportunities over the course of the day.

Sports Provision

As mentioned in my previous newsletter, sports coaches will support our delivery of PE for the children of Two Rivers on Tuesdays in term 4.

Children will need to have a PE kit in school every Tuesday with suitable daps/trainers for outside PE. You may wish to provide your child with a tracksuit—navy or black as lots of the PE will be outside. Children will get changed in school.

There will also be a sports club focusing on games skills on a Tuesday after school from 3:20pm—4:20pm. This year the school is able to fund the cost of this club. Please use the link below to sign up. Places will be allocated on a first come, first served basis.
