Our School Values

Kindness

Respect

Courage

Dear Parents and Carers,

So, the time has come for me to write my final newsletter to you all. Apologies in advance if it is gushing!

As you all know, Two Rivers CofE Primary school is the best in the world! It is the best school in the world for many reasons which we talk about every day in school with the children. The school opened in September 2020 and very quickly, as the children, staff and parents got to know each other and talk about expectations and priorities in our school, it was clear that this was going to be a unique and incredible experience for all of us. Your children continue to amaze me everyday. The staff (including the wonderful governors) are amazing and we are a real team, a school family.

Over the past two years we have developed our school values and vision alongside all members of our school community in order to create a school with a distinct Christian ethos which we live and breathe every day. It has been a pleasure to not only lead a school, but to be the Butterfly class teacher, alongside Mrs Trembeth who I know is sad about not being at the school at the end of the year. I feel that the relationships across all levels at Two Rivers are strong. A big thank you to everyone for your part in this.

We have formed an incredibly supportive PTA who I know will do an amazing job in raising funds for the school which ultimately has an enormous impact on our children, the reason we are here everyday! On that note of fundraising, you will be pleased to hear that the NSPCC sponsored scoot raised a whopping £557.47 for the NSPCC. That is incredible and I thank you all for your support.

I am so pleased that we ended our year or two years together with swimming and sports day! As I said last Friday, at Sports day, your children were so courageous during their swimming lessons and the improvement from one lesson to the next was amazing but indicative of all of our time together, learning. Sports day was a highlight, with many people commenting on how much they enjoyed it and how the morning had a real “community” feel. I was blown away personally with how many parents took part in the parents race—24!

There is no hiding from the fact that I am really sad to be leaving Two Rivers, but I also know that I am leaving the school in an amazing place, ready to launch into the new building and with a team of staff and parents who will continue to strive for the absolute best for our children. Mrs Graham is really looking forward to leading the school forward in September, alongside Mrs Easdown and Miss Pilkington as the school’s Assistant Head teachers, and I know that Two Rivers will benefit hugely from this leadership and expertise.

I will carry with me such fond memories and know that the experiences from the last two years will strengthen my leadership skills as well as my life skills as I move to St John’s in September, a new chapter. I am hopeful that the children of Two Rivers will be able to show me their new school when I come to visit ,after the move is complete.

Have a wonderful summer with friends and loved ones. I wish you and your children, all the very best for the future and hope that one day, our paths cross again.

Many thanks for everything

Mrs Carver—Head of School.
