Newsletter 8 : Friday 29th January 2021

A note from Mrs Carver

Firstly, I would like to invite each and every one of you to give yourself a big pat on the back! We are all working hard to provide the very best for the children at Two Rivers whether that is whilst your children are in school or whilst they are accessing remote learning. As a parent myself, I understand the pressures in balancing family life, work and education. As part of my leadership role at Two Rivers, I receive supportive, weekly newsletters from the Director of Education of the Diocese of Bath and Wells. I would like to share a powerful paragraph from a recent newsletter. I myself found it very reassuring.

Regardless of your political views or opinions, glass ceilings are being shattered, new horizons are emerging and more people are inspired to flourish. This is good change, refreshing change, long overdue change. 'Change is not merely necessary to life, it is life.' This quote, by Alvin Toffler in his book 'Future Shock', dates back to the early 1970s and yet is so relevant for us today as we face changes that are good alongside changes that are so painful. There will always be change and yet there will always be **wisdom, hope, community and dignity** too. If we have the right vision for the future, underpinned by the right core values, we are well placed to grow in wisdom, to hopefully imagine new possibilities, to open our hearts to one another in community and to cherish simple moments with dignity.

This week we had a special delivery of scones, clotted cream and jam—a morale boosting and thoughtful gesture from a family in Butterfly class which was accompanied by a lovely message of thanks. A real example of cherishing moments I think. We have also received lots of positive messages in support of the home learning we are providing as well as the in school teaching so thank you also for this—it means a great deal.

Mrs Carver

Reminders:

Children in school need to bring their reading books/book bags to school each day.

Please keep drink bottles out of book bags to protect the books.

Please ensure children attending school bring a fruit snack for the morning and a named drink bottle containing water only.

Key Dates

- Friday 12th February is the end of Term 3.
- Term 4 starts on Tuesday 23rd February as Monday 22nd is an INSET day and school is closed to all children.

Critical Workers:

- Please ensure that you only send your children to school on the days which you are working. You must fulfil the criteria set by the Government in order to qualify for a place for your child. School is closed to all other children.

Mental Health Week

We would like to promote **Wear your Scarf to school day on Friday 5th February**. We would like the children to come to school **dressed to impress with some great clothes including a scarf**. It would be great if all the children at home could also do the same and send us some photos on Tapestry.

Wear your scarf to school day
