Two Rivers CofE Primary School

0117 916 1027

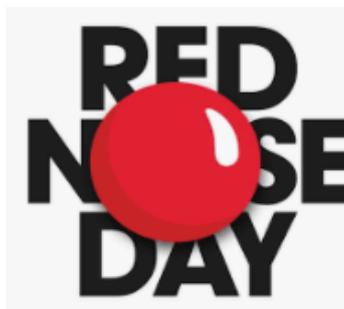

Friday 12th March 2021

enquiries@tworiversschool.org.uk

Welcome back! It has been great to have all of the children back in school this week—they have missed seeing each other and have enjoyed reconnecting and sharing experiences from lockdown. Each day, I continue to be impressed with how brilliantly the children come into school each morning, ready and excited for the day ahead. Children begin their learning as soon as they come into the classroom so please ensure that your child is on time as we do calculate minutes late each day if your child does arrive after 9:00am. This can add up very quickly and really makes a difference to learning. Now that we are out of school lockdown, attendance every day is mandatory.

Key Dates

- Tuesday 23rd March—Parents Evening (appointment times booked)
- Thursday 25th March—parents Evening (appointment times booked)
- Thursday 1st April—End of term 4.
- Monday 19th April—Start of Term 5

As you already know, Friday 19th March is Comic Relief day and we will be holding a sponsored scoot in the playground with children raising money for children less fortunate than themselves. Children can wear **red** to school that day but will also need to remember to bring a helmet with their scooter!

Vision and Values update

Now that we have a governing body established for Two Rivers, we will be discussing the ideas that you contributed towards developing our school Vision and values back in term 2. The views of children, parents and the wider community are really important and the work that you did about this will be really valued at our next meeting at the end of March. I will keep you posted and informed as we move closer towards establishing a final vision and values statement for the school.

Real life Superheroes

We need some real life superheroes from the local community who are prepared to talk to the children about their roles as real life superheroes. If you are a superhero and would like to talk about your job, we would love to arrange a TEAMS meeting for you to talk to the children in Butterfly class. This will hugely benefit the children's learning experiences whilst we cannot have visiting speakers in school yet. We are particularly looking for doctors, dentists, nurses, police and road workers.

Thank you and enjoy your weekend!

Mrs Carver
