## Dear Parents and Carers,

Once again I would like to say how lovely it is having all of the children back together in our school family. We have had a great fortnight in school and now that the weather is looking brighter (although not today!) and the birds fill the air with song, we all start to feel more hopeful for a return to normality. I feel that we can see the way now and hope you feel the same. This will be the last Newsletter of the term so I want to take this chance to say Thank you for your support this term and for your commitment to your child's education. We really value the support you give your child at home. Have a fabulous Easter and we look forward to seeing you back in school for the start of Term 5 on **Monday 19th April**.

**Thank you so much** for all of the sponsor money which we have received. Since Friday, we have received more money ! Get ready...

Our total now stands at **£461** which is absolutely amazing when we only have 17 children in the class. Thank you so much to all of the friends and families of Two Rivers for their incredibly generous contributions. We hope that this will help out lots of people less fortunate than ourselves.

## Growth mindset

You may have heard your child talking about Growth mindset at home. We encourage the children in school to be resilient and to keep trying. We use positive phrases with the children and celebrate when learning is tricky. This can be

something that you can support at home for example if your child is learning to ride a bike or make a sandwich for example. Please use Tapestry to share any times where your child has used their Growth mindset. Thank you!

## Key Dates

- End of Term—Thursday 1st April (This is not an INSET day for Two Rivers)
- Rescheduled (from this week) parents evening—Thursday 1st April
- Start of Term 5—Monday 19th April

## Forest School

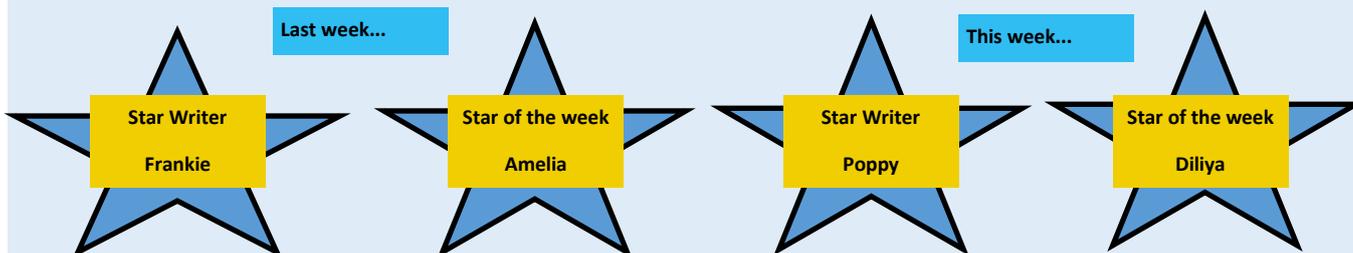

Forest School sessions will continue to be weekly, on a Wednesday afternoon. Children can come to school wearing their Forest School clothes but we ask that children do not wear their wellies into school and wear alternative shoes. They can bring wellies in a bag. Please remember that your child needs to be dressed for the weather.

## Toast Tuesday

Next term we are going to start having toast Tuesdays for snack time in the morning. Children will be supervised using the toaster and will then butter their own toast. We would like to ask for a termly contribution of £1 per child. This can come into school in an envelope on the first day back each time, labelled clearly with your child's name. This will cover the costs of bread and butter (maybe jam too!)

I have to say, I think this is a brilliant idea—I love toast!

## Star Learners from last week and this week.
