Dear Parents and Carers,

This week, the children came into school very excited to make their miniature gardens. We haven't finished them yet but the children are very keen to develop and improve them further next week.

Thank you for all of the wonderful collecting of materials and for enthusing your child with this project at home.

In class we have also been enjoying watching our sunflowers grow! We are all looking after them very well, watering them and talking to them to help them to flourish. The children are learning about what plants need in order to grow. We have also planted some magic beans and are hoping these will grow into an enormous beanstalk!

To link with our growing topic the children have been learning about looking after the Earth and everything in it. Through our Collective Worship gatherings, the children have been learning a memory verse "The Earth is the Lord's and everything in it" Psalm 24, Verse 1

Forest School

Forest School sessions will continue to be weekly, on a Wednesday afternoon. Children can come to school wearing their Forest School clothes but we ask that children do not wear their wellies into school and wear alternative shoes. They can bring wellies in a bag. Please remember that your child needs to be dressed for the weather.

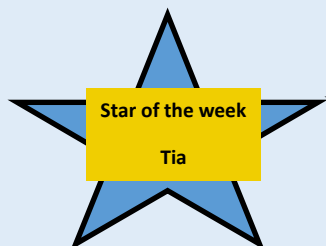

Don't forget to support our Walk to School Week! Please see Mrs Trembeth if you have any questions about the walking challenge!
