Dear Parents and Carers,

Firstly, I would like to say a big thank you for all of the kind donations of pots, compost and plants in order to help us to develop and improve our outside space. It is looking great and the children thoroughly enjoyed planting and writing signs for the plant pots. They even got involved with the laminating! A very popular event! Because the children did all of the planting, it helps them to feel responsible for the plants and seeds and look after them. The children can articulate what plants need in order to grow and know what can happen in the absence of sun or water.

Thank you also for supporting our walk to school event. We know that not all children were able to walk all of the way to school but most tried walking some of the way. In school, children enjoyed talking about their walking and we discussed healthy lifestyle choices as part of this.

## Trip to Manor Woods

Next term, we plan to take a walk to Manor Woods, a woodland area close to the school and have a Teddy Bear's Picnic! We will send you more information once we have decided on a date and the weather is more predictable. I know that the children will be very excited about this.

## Collection at 3:20pm

Please can we ask that parents stand at the front of the building at collection times as we can not always see you if you stand at the end of the ramp or by the bike shelter. We would appreciate you standing by the Wellsway building opposite our classrooms. Thank you so much—this will help us to dismiss much more speedily.

## Attendance reminder

We are currently monitoring attendance at school and would like to remind parents that school starts at 9:00am. Children come straight in to learning opportunities at this time. Please ensure that your child arrives on time. If you are late, you will need to go to Chandag Junior School office where Mrs Batchelor will sign your child in and then bring them to the classroom.

Wishing you all a restful half term and I have my fingers crossed for sunny weather!

Look after yourselves

Mrs Carver

## A new member of the team!

We have appointed a permanent School Meals Supervisory Assistant, Mrs Beaven who started working with us this week. Mrs Beaven has been a TA and School Meals Supervisory Assistant in a school previously. We welcome her to the ever growing team at Two Rivers.

## Forest School

Forest School sessions will continue to be weekly, on a Wednesday afternoon. Children can come to school wearing their Forest School clothes but we ask that children do not wear their wellies into school and wear alternative shoes. They can bring wellies in a bag. Please remember that your child needs to be dressed for the weather.

**FUTURE BRIGHT** ■ Support  
Advice  
Skills

Future Bright offers FREE careers coaching, training and support to help residents move forwards with their careers and increase their pay. You can access the service if:

- You're aged 18 and over
- You're in paid work (this includes zero hours contracts and self-employment) and claim a benefit/ tax credit
- Or you're earning less than £9.50 an hour
- You live in Bath & North East Somerset, South Glos or Bristol
