Dear Parents and Carers,

Welcome back to Term 6 - every time I write to you, I think about how quickly the year has flown by! Thank you for being such a supportive group of parents. Your children are amazing and have great attitudes to their learning and this is going to set them in good stead for moving into Year One. We are planning to have a transition day where children will meet their new teacher, Miss Shaw but we do not yet have a date for this. We will keep you informed.

Vision and Values

Thank you for completing the form on Vision and Values that was sent home before half term. We have been asking the children about the values they would like Two Rivers children and community to show and we will share these with you in the next newsletter! The work around Vision and Values is enormous and this will continue into the coming years so that children develop a really secure understanding of what the values look like in practice!

An Introduction to the Chair of Governors, Ross Wolverson

I am delighted to introduce myself as the Chairperson of Two Rivers Academy Governance Committee (AGC). The AGC's role is a crucial one, our primary responsibility being to ensure that our school provides a safe environment and an excellent education for every student at Two Rivers.

Both I and the other members of the AGC work closely with Mrs Carver and Mrs Smart in setting plans and strategies which are aligned to the school's vision and values. Throughout the year we monitor closely how well these plans are being delivered and challenge and support the school's leadership team to ensure that every student is getting the best all-round education that the school can provide. Every year we seek to refine the plans based on experience with the aim of improving outcomes over the year before.

Over the coming weeks every member of the AGC will write a short introduction to who they are and what they do so hopefully you will feel better informed and in touch with your Governors. We are also planning a 'meet the Governors' event in the playground shortly.

If you would like to contact me then please do come and have a chat with me in the playground or via Mrs Batchelor in the school's reception.

Ross Wolverson

Reading at home

Children read every day at school and just want to remind you of the importance of reading every day at home—reading to your child is great. It is great practice to read your child's reading book to them as this helps them to develop an understanding of what they are reading. We can see a real difference in reading skills and vocabulary development when children read every day at home so please support by reading as much as possible with and to your child.

Sad Goodbye but HUGE congratulations!

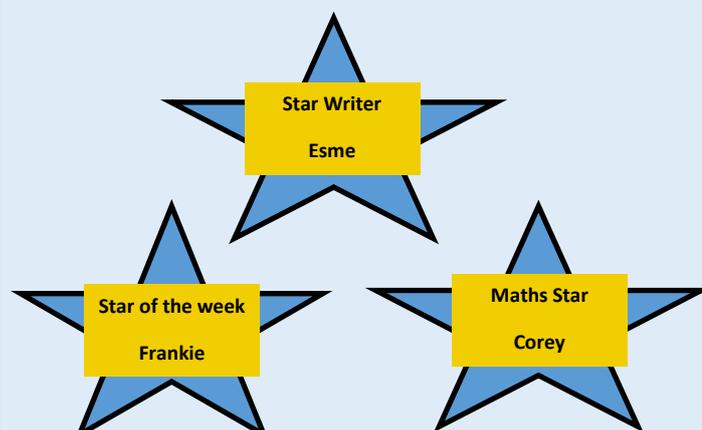

We are sorry to say that Miss Morris will be leaving us at the end of Term 6 as she has been successfully appointed as a teacher at another of our WMAT schools. Although we will miss her, we wish her well and know that she will be a great asset to her new team. We are very happy that we will still be able to be in touch with her! Thank you for all you have done Miss Morris. We think you are amazing!

Parent Questionnaire

The WMAT would like to request that families complete a parent questionnaire using this [link](#). Please complete the questionnaire by 2nd July.

Star Learners from week 1:

week 2: moved to next week
