Dear Parents and Carers,

Vision and Values announcement

So....the grand reveal!

After consulting all stakeholders of Two Rivers, we are now in a position to announce our new school Values! They are: **Kindness, Respect** and **Courage**. We are so pleased that we now have some amazing values which we can use at Two Rivers. It will be really important for the whole school community to be able to articulate these values and to explain what they look like in action. Thank you for all of your help with this.

Next year, as our staff team grows, we will work on developing a Vision statement for the school which will sit alongside the school values. Again, we will consult with Stakeholders so that the vision is shared. The final decision on the Vision statement lies with the governing body.

Please talk about the new values at home with your child and help them to understand what these values look like in practise, not just in school but in the wider world!

Keynsham Eco Festival.

On Saturday 18th September, Keynsham are hosting an Eco Festival organised by the Town Council and "Churches Together" Two Rivers children have been invited by Kevin Durrant, one of our governors, to contribute some art work to the festival which will be displayed on the day.

We would like all children of Two Rivers to be involved by taking a photograph this weekend of something in Nature that they find beautiful or inspiring, thinking along the lines of "The Earth is the Lord's and everything in it" This is a memory verse that children have learnt at Two Rivers this year. We would like children to bring in their photograph on **Monday 5th July** and that afternoon, the children will do some artwork using a range of materials such as paint, collage and pastel. So perhaps a good chance to get out in the sunshine for a walk.

I wonder if any of the children recognise this picture and know who took the photograph?

Governor profile

My name is Claire Formby and I am a Foundation Governor. I have lived in Keynsham for 30 years and I go to St John's Church in the town. I enjoy walking,

cycling and family time with my grandchildren.

End of Year Reports

On Friday 9th July, you will receive your child's end of year report so please look out for the white envelope coming home with your child! You will also receive attainment information on your child as well as a letter which explains the report. It also gives information about Tapestry so that you can download your child's journal.

Meeting Miss Shaw

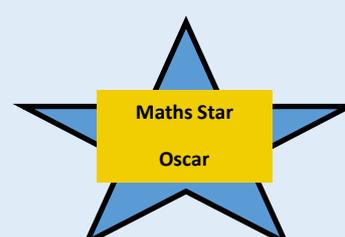

On Thursday this week, the children really enjoyed meeting their new teacher, Miss Shaw who spent the day with the class, getting to know them all.

Miss Shaw was very impressed with the high standards of behaviour and how committed the children are to learning!

I tell everyone how brilliant the children of Two Rivers are and it is great to hear this from our new teacher.

We know that this will continue as the children move into Year One.
